Thank you for contacting The Food Depot for your diaper needs. We understand the high cost of diapers and of raising a child and we want to help you give your child the best possible start in life.

The Food Depot can provide one package of 80 diapers with wipes per child per month. Our ability to provide these diapers depends on availability.

Diapers are coordinated through our Resource Navigation program, part of the Santa Fe County Connect resource network. New participants in the program should contact the Resource Navigator, Chris Blumenstein, at (505) 470-2236 or navigator@thefooddepot.org.

For those enrolled in the program, diapers can be picked up once per month from The Food Depot offices at 1222A Siler Road. The office is open from 8 a.m. to 5 p.m. Monday through Fridays, except holidays.
